A warm welcome from Dart Totnes Amateur Rowing Club

The Club is delighted to welcome all competitors and spectators to the 2024 Totnes & Bridgetown Royal Regatta. We hope the weather shines on you all, and that racing is hotly contested and gives enjoyment to competitors and spectators alike.

There are a host of people without whom the regatta would not take place, and the Club wishes to thank them for giving up their time in order to make this event a success. The WEARA Officials, Hilary Bastone for his fantastic commentary, all the DTARC members (too many to mention) who run the kitchen, man the steps, provide safety cover, marshal races, assist the umpires, police the car park, and perform a whole range of other tasks. We would like also to thank outside agencies such as the Harbour Master and his team, the Ferry company, South Hams DC, and Specialty Fastenings for the use of their car park.

However – most importantly, we would like to thank all the competitors for making the effort to come here and race.

Kate Fraser
DTARC Club Captain
